

**Education Board for Accreditation  
Under the aegis of CCLP Worldwide**

Notification No. 11/20-21

Dated 24-12-2020

This is to notify that the Education Board For Accreditation a unit of CCLP Worldwide has been providing accreditation services under its copyrighted NEST Methodologies and has received overwhelming response from various institutions and stakeholders.

Due to the present situation of the Covid pandemic, the work force of EBA is limited to process the continuous inflows of applications for accreditation and evaluation commission members.

The Board has decided that fresh applications for accreditation shall not be accepted until all the active applications are attended to or processed or until further orders.

The application for Evaluation commission members will continue to open for eligible educators.
